Career Objective

Motivated Computer Science student specializing in UI/UX and Frontend Development. Proven track record in hackathons and building functional, visually engaging applications. Seeking to leverage expertise in Figma, React.js, and user-centric design as a UI/UX & Web Designer.

Educational Qualification

B.E. Computer Science and Engineering	2024 – Present
KSR College of Engineering, Thiruchengode	CGPA: 8.55

Higher Secondary Certificate (HSC)	2024
Sri Vidya Mandir Matriculation Higher Secondary School, Gurusamipalayam	Percentage: 83.6%

Secondary School Leaving Certificate (SSLC)	2022
Sri Vidya Mandir Matriculation Higher Secondary School, Gurusamipalayam	Percentage: 86.4%

Technical Skills

- **Design Tools:** Figma (Advanced), Canva, Visily, Photoshop, Stitch
- **Web Development:** React.js, HTML5, CSS3, JavaScript (jQuery), Flutter
- **Programming:** Java, Python, C
- **Databases & Vector Stores:** Supabase, Firebase, PostgreSQL
- **Version Control:** Git, GitHub

Projects

Campus Stack (Enterprise University ERP Platform)	Present
--	---------

Stack: Flutter, Supabase (PostgreSQL)

- Architected a University ERP with 7 role-based dashboards to streamline complex academic workflows.
- Automated daily attendance calculations via pg_cron triggers, reducing administrative tasks by 40% for 2,000+ users.

College Automation Chatbot

Stack: n8n

- Developed an automated conversational agent using n8n to streamline college-related queries and automate administrative workflows.

Construction Site Expense Tracker | [Live Link](#)

- Designed and developed a comprehensive expense tracking application tailored for construction site management.
- Implemented responsive design and intuitive user interfaces to monitor budgets and expenditures efficiently.

Coffee Brand Hero Section & Landing Page | [Figma Link](#)

- Crafted a visually compelling landing page emphasizing high-quality imagery and color theory.
- Implemented consistent branding and typography systems across mobile and web viewports.

Internships

Frontend Developer Intern	Jun 2026 – Jul 2026
Touchmark Descience Pvt. Ltd., Chennai	(2 Weeks)

– Contributed as a Frontend Developer Intern, collaborating on project deliverables and building functional user interfaces.

Professional UI/UX Design & Web Prototyping Virtual Internship	Apr 2026 – Jun 2026
AICTE EduSkills & Ministry of Education	(8 Weeks)

– Successfully completed an 8-week virtual internship covering comprehensive UI/UX design workflows and responsive web prototyping techniques.

Python Full Stack Development With Project Internship	Jun 2026 – Aug 2026
EduSkills Academy	(8 Weeks)

– Completed an 8-week internship program focusing on FastAPI backend integration and React frontend state management.
– Developed capstone projects including a Text Encryption Toolkit and an E-commerce Platform with user authentication and a product catalog.

Certifications & Workshops

- **Certifications:** Python Full Stack Development With Project (EduSkills Academy), Introduction to Graphic Design (Simplilearn SkillUp), Basics of UI/UX (Simplilearn SkillUp).
- **Workshops:** Imaginative UI/UX Workshop, LLM Workshop at VIT Vellore, Generative AI Workshop.
